Article II UNION SECURITY

A. Introduction

1. As a condition of employment, each Employee shall tender to the Union either periodic and uniformly required membership dues or agency fees as certified by the Union. Prior to the deduction or payment of any dues or fees, the Union will inform all bargaining unit members of their legal rights and choices regarding Union membership and the payment of such dues or fees.

2. If an employee appointment letter is provided, it is agreed the letter shall include a paragraph informing the individual that membership in the Union or payment of an agency fee is a condition of employment. Additionally, such letters shall include the following statement:

"Adjunct faculty at Henry Ford Community College are represented by the Adjunct Faculty Organization, AFT Local 337, AFL-CIO. Members of the bargaining unit (as detailed in Article II of the collective bargaining agreement between Henry Ford Community College and the Union) are required to pay either union dues or an 'agency fee' to the Union. Union members (who pay union dues) may participate in the activities of the Union; run for Union office; and vote in Union leadership elections, on contracts, and other matters of Union business; agency fee payers may not. Please complete the Payroll Deduction Authorization Form for Union Membership or Agency Fee Payer included in the packet you receive."

3. The College will make a good faith effort to include, in its initial hiring packet, the agreed upon form(s) for deducting union dues or agency fees. However, a failure to include such form is not subject to the grievance procedure.
4. Dues and fees deduction authorizations, or automatic agency fee deductions, shall only remain in effect when an Employee is actively employed as a member of the bargaining unit. The Employer shall not be responsible, therefore, for the deduction of regular union dues or agency fees for any period of time when the Employee is not actively employed as or does not have earnings as a member of the bargaining unit.

B. Union Dues and Agency Fees Deductions

1. Union Dues: During the term of this Agreement, the College agrees to deduct regular union dues on a per paycheck basis from the salary of each Employee who authorizes such deduction in writing in accordance with a standard form that is mutually developed by the Union and the College.
2. Agency Fees:
 - a. Employees who do not authorize a deduction for union dues shall pay an agency fee to the Union, and will be subject to automatic deductions of the full amount of an agency fee on a per paycheck basis. This fee, as determined and certified by the Union in accordance with the requirements as to which expenses may permissibly be included in an agency fee for services related to the negotiation and administration of the contract, shall not exceed the amount of dues assessed.

- b. The Union will provide each Employee from whom such an automatic agency fee deduction is to be or has been made with written notification that the deduction will be or has been made, and the deduction rate as a percentage of salary.
- c. Both union dues and agency fees are deducted on a going-forward basis, deductions for past payments due will not be made.

C. Nonpayment of Union Dues or Agency Fees

- 1. An Employee who does not tender either union dues or an agency fee in accordance with this Article shall be terminated. The effective date for such termination of employment of any Employee who fails to tender either union dues or an agency fee shall be the end of the semester in which the Employee's failure to tender such dues or fees occurs.
- 2. No request by the Union for the termination of an Employee pursuant to this Article shall be made unless:
 - a. The Union has first notified the Employee in writing, explaining that the Employee is delinquent in not tendering either union dues or an agency fee and specifying the current amount of such delinquency, and notifying the Employee that unless such delinquent amount of dues or agency fees is tendered not later than seven (7) working days following the postmarked mailing date on this notice of delinquency, the Employee shall be reported to the College for termination as provided in C.1. above, and
 - b. The Union has furnished the Director of Human Resources with a copy of the original letter sent to the Employee [as set forth in C.2.a. above] along with written notice that the Employee has not complied with the Union's request and remains delinquent. Further, when requesting the College to terminate the Employee, the Union shall include with that request the following written certification:

“The Union certifies that [name of Employee] has failed to tender either the required union dues or agency fee required as a condition of continued employment under the collective bargaining agreement and demands that, under the terms of that agreement, the College terminate this Employee.”, and
 - c. Such written notice and certification have been provided to the Director of Human Resources not less than thirty (30) calendar days prior to the end of the semester in which termination is requested to become effective.

D. Remittance and Reporting

Not later than ten (10) business days after each payroll date, the College shall furnish the Union an electronic listing of all dues and fees deducted for that payroll for all members of the bargaining unit and a listing showing members' earnings and total deductions for union dues or agency fees.

A remittance of all dues and agency fee deductions, payable to the Union, shall accompany the listing or be made electronically when the listing is sent. The amount of dues or fees collected from each pay will be a percentage of the Employee's gross earnings as set by the Union. The College is responsible only for collecting union dues or agency fees during the current semester in which the Employee is actively employed and has earnings as a member of the bargaining unit.

E. Indemnification Against Loss

The Union will, at its own expense, defend (at the College's discretion with an attorney of the College's choosing) and indemnify the College, its officers, Board Members, employees and agents, against any and all claims, demands, lawsuits, or other forms of liability, including any costs and attorney's fees, which may arise out of any act or omission by the College which relates to or which was for the purpose of complying with the provisions of this Article.

POSTING**

When such a need exists, the course(s) or function(s) will be assigned by the appropriate administrator as provided herein. Qualifications for persons so employed shall meet minimum competencies, as established by the College, for teaching the course(s) or performing the function for which the need exists.
- B. Probationary Period
 1. The responsible Associate Dean/Director or administrator shall determine whether an applicant/Employee is qualified for the position, discipline and specific course available.

5. After the probationary period has ended, an Employee shall be referred to as a Senior Adjunct (SA).

The lists will be updated each semester and session and will be made available upon request of a faculty member.
 2. The current seniority lists will be eliminated and replaced with a new and revised seniority list. Under the new lists, teaching Employees will be given one seniority service point for each “weekly contact hour” they have taught since (and including) the Spring/Summer, 2003 semester. A “weekly contact hour” is roughly equivalent to a credit hour, but there are courses that involve more weekly contact hours than credit hours. For Employment prior to the Spring/Summer, 2003 semester, and presuming no break in seniority, the Employee will be given ten (10) seniority service points credit for each semester in which he or she taught at least one three-credit hour course. As throughout this Agreement, spring and summer will count as a single semester. The actual date of hire on record will be adjusted to January 1, May 1 and August 1 of the year of hire to reflect the start of the appropriate semester that employment began. The lists for Employees in non-teaching positions will be constructed in a similar manner. Advisors, Counselors, Librarians, Job Placement Officers and other non-teaching Employees will be given credit for one seniority service for each 33 hours worked since the Spring/Summer, 2003 semester and ten (10) points per semester prior to that time.
 3. In the event an Employee teaches in more than one (1) discipline, points awarded in one (1) discipline shall not be used for placement on the seniority list in any other discipline.
 4. An Adjunct teaching at the College who has earned seniority points in more than one discipline shall lose the seniority points in a discipline in which he hasn’t taught for five (5) years.

5. For purposes of establishing placement on a list, represented Librarians, Counselors, Advisors, Clinical Lab Professionals-Nursing and other Employees not teaching courses, every 33 hours of employment at the College shall count as one (1) service point. In the event that a qualified retired full-time Employee returns to the College as an Adjunct, he or she shall have seniority calculated for all qualified employment prior to retirement using the same formula as any other AFO member and shall be subject to all other stipulations, restrictions, rights and privileges in this Agreement.
 6. An AFO retiree who returns to the College shall retain his or her place on the appropriate list(s).
 7. For purposes of this section, it is understood that the Clinical Lab Professional-Nursing is deemed to be a separate discipline.
- D. An Employee who has either refused work, or has not been offered any work, shall remain on the appropriate list for three (3) years from the date that **s/he** last earned service points.

The Senior Adjunct, including Senior Adjuncts returning from an approved leave of absence, will be offered a similar number of contact hours to that taught in the corresponding semester of the previous academic year, if available. Reasonable effort will be made to offer a similar schedule or to accommodate reasonable changes to the schedule taught previously.
 - c.** Once all of a Division's/Department's Senior Adjuncts have been offered classes pursuant to this provision (1.b.), classes shall be offered to qualified probationary Employees, if no notice of non-appointment is received. The Employee will be offered a similar number of contact hours to that taught in the corresponding semester of the previous academic year, if available.

- d. If unassigned classes still exist after all qualified probationary Employees have been offered classes, then Senior Adjuncts who are available to teach classes beyond those that they have been assigned according to (1.b.), above will be offered unassigned classes based on their position on the department's Senior Adjunct seniority list.
 - e. If unassigned classes still exist which cannot be filled by any current Employee due to inability to accept available assignments or lack of appropriate qualifications for the specific opening, then the appropriate administrator may complete the assignment of open classes by hiring a qualified person(s) not on the seniority list.
2. Although it is understood that the exact procedures will vary, the principles outlined in A.1. above shall be followed when assigning work to a Senior Adjunct Librarian, Counselor, Advisor, Clinical Lab Professional-Nursing, or any other Senior Adjunct who does not teach a course.
 3. All assignments as set forth in A. above and B. below are tentative.

B. Reassignment or Cancellation of Classes

1. Class Reassignment: Schedule changes should be made as early as possible, preferably one (1) week prior to the beginning of the semester (defined as the first day of class).
2. If a Senior Adjunct's class is cancelled or reassigned to a full-time faculty more than three (3) days before the semester begins, the Senior Adjunct has the right to bump into a class for which he or she is qualified to teach within the discipline, if the Senior Adjunct notifies the Associate Dean in writing (including email) within twenty-four (24) hours of notification of the cancellation.
3. A Senior Adjunct is "qualified" if he or she has taught the same class previously at the College, or has taught a higher level course within the same series or discipline at the College.
4. If cancellation or reassignment to a full-time faculty occurs less than three (3) days before the beginning of the semester, no such bumping rights exist, however, the College retains the discretion to allow bumping under this procedure.
5. Cancellation Procedure
 - a. Upon cancellation or reassignment as defined above, the Associate Dean will notify the Senior Adjunct, Human Resources and the Union of the cancellation and that the Senior Adjunct has the right to bump as set forth in 5.b below. The Senior Adjunct must then:
 - i. Consult the AFO website for the current seniority list and identify probationary adjuncts in the appropriate discipline,

- ii. Consult WebAdvisor and review the courses they are qualified to teach which are currently assigned to a probationary adjunct, and
 - iii. Notify the Associate Dean in writing (including email) before the deadline of twenty-four (24) hours after notification of the cancellation.
- 6. In the event of a new full-time salary line, or an administrator returning to the Local 1650 bargaining unit, reasonable effort will be made to ensure that displaced Senior Adjuncts will be made whole, even if it requires suspension of the normal assignment rules specified in this Article.
- 7. If an Employee has a scheduled class cancelled, the Employee will retain his or her place in the assignment sequence for the next semester he or she is scheduled.
- 8. For purposes of this article, it is understood that Clinical Lab Professional-Nursing assignments are not deemed to be classes.

ARTICLE XVII

- A. A task force will be created which will be responsible for issuing guidelines for an Adjunct Performance Evaluation Program and New Hire Mentor Program. The task force will be made up of individuals appointed by the Director of Human Resources, and will include Union representatives and the Director of the College's Center for Teaching Excellence and Innovation. A goal of the task force will be to continuously improve the Adjunct Handbook and the programs. The task force may issue initial guidelines and further develop the programs and process as experience dictates and resources permit.
 - 1. Without limiting the discretion of the task force, the Adjunct Handbook may have division, or even department, specific content;

Employees who complete one (1) or both training programs may qualify for payment for professional development as provided in Article XVII., Professional Development.
- D. An appointment as a New Hire Mentor will last not less than two (2) semesters, but can be extended at the College's discretion. If a Senior Adjunct is assigned as a mentor in the New Hire Mentor Program, he or she shall be compensated \$100.00 for a two (2) semester appointment, and \$25.00 per semester for any additional semester. Payment is pursuant to the provisions in Article XVIII., Professional Development.
- E. If a Senior Adjunct is assigned as a classroom observer under the Adjunct Performance Evaluation Program, he or she shall be compensated \$50.00 for his or her efforts. Payment is pursuant to the provisions in Article XVIII., Professional Development.

This list is illustrative and not exhaustive, and does not limit the College's right to discipline or discharge for other acts or omissions which also constitute just cause.

Such conferences shall be between representatives of the College and a maximum of five representatives of the Union. More may attend by mutual agreement of the parties.

Article XXXII
GRIEVANCE PROCEDURE AND ARBITRATION

A. Definition of Grievance

The term "grievance" shall be interpreted to mean a formal written grievance complaint form submitted by an Employee or by the Union in its own behalf that:

- 1. There has been a violation, misinterpretation or misapplication of any provision of this Agreement, or
- 2. There has been a violation, misinterpretation or misapplication of written policies or procedures affecting the conditions of employment of Employees in effect from time to time. Whenever the term "Employee" is used, it may be interpreted as a plural.

B. Statement of Basic Principles

- 1. The Union, on behalf of Employees, shall have the right to present grievances in accordance with these procedures.
- 2. All discussions shall be kept confidential, to the extent possible, during procedural stages of the resolution of a grievance.
- 3. An Employee who participates in these grievance procedures shall not be subject to discipline or reprisal because of such participation.
- 4. Administrators have the responsibility to consider and take action promptly, within authority delegated to them, on grievances presented to them.

5. The failure of an administrator at any level to render a decision to the Employee and Union within the proper time limits permits the Employee to proceed to the next stage, within the limits provided.
6. The failure of an Employee or the Union to appeal a decision to the next higher stage within the proper time limits shall constitute a withdrawal and shall bar further action on that Employee's grievance or on a grievance by the Union relating to that issue. However, if the Union formally withdraws a grievance it has filed, it is not precluded from filing a subsequent grievance arising from a separate alleged violation relating to that issue.
7. The Employee or group of Employees has a right to be present and to be represented by the Union at the Employee's option, if the grievance proceeds beyond the preliminary stage. If the Employee(s) elects to be represented, the representative shall not be a representative of any Employee organization other than the Union.
8. When the grievance originates at an administrative level higher than Coordinator, Division Director, or Associate Dean, the Union shall start the grievance at the appropriate written stage of the grievance procedure as designated herein.
9. Hearings and conferences held under this procedure shall be conducted at a time and place which shall afford a fair and reasonable opportunity for all persons, including witnesses, entitled to be present to attend. A hearing or conference held during regular business hours, 9:00 a.m. – 5:00 p.m., Monday – Friday, is deemed to afford a fair and reasonable opportunity to be present and attend. When such hearings and conferences are conducted during hours in which an Employee whose presence is required is scheduled to teach, that Employee shall be excused, with pay, for that purpose.

C. Informal Preliminary Stage

In the interest of maintaining harmonious relations, the Employee is encouraged to have an oral conference with the Associate Dean of the division in which the Employee is assigned, upon discovery of the alleged violation and prior to initiating the formal written grievance process. If the issue is not resolved at the preliminary stage, the Employee can initiate a formal grievance pursuant to the procedure below.

D. Formal Grievances

1. First Stage

- a. The formal grievance process is initiated by submitting a written grievance on a standard form that is mutually developed by the Union and the College. The written grievance must be submitted to the Associate Dean of the division in which the Employee is assigned within twenty-one (21) calendar days of the act or omission on which the grievance is based.
- b. The Associate Dean shall provide his or her decision (along with a copy of the grievance) to the Employee and the Union in writing, within fourteen (14) calendar days of the receipt of the grievance.

2. Second Stage

- a. If the Employee or the Union is dissatisfied with the decision at the First Stage, the Employee or the Union may refer the matter to the Vice President of the division in which the Employee is assigned, by submitting a copy of the grievance and the First Stage decision, along with a request for Second Stage review, within fourteen (14) calendar days of its issue.
- b. The Vice President or designee shall provide his or her decision (along with a copy of the grievance) to the Employee and the Union in writing, within twenty-one (21) calendar days of the request for Second Stage review by the Employee.

3. Third Stage

- a. If the Employee or the Union is dissatisfied with the decision at the Second Stage, the Employee or the Union may refer the matter directly to the President, or designee, by submitting a copy of the grievance and the First and Second Stage decisions, along with a request for Third Stage review, within fourteen (14) calendar days of the issue of the Second Stage decision.
- b. The President or designee shall schedule a meeting with the Employee or Union within twenty-one (21) calendar days of the request for Third Stage review by the Employee. The Employee or the Union shall have the right to a conference with the President or designee within this time limit.
- c. The President or designee shall provide his or her decision to the Employee and the Union in writing, within fourteen (14) calendar days following the conference discussed in 3.b. above.

4. Final Stage, Arbitration

- a. Upon written request by the Union, an arbitrator shall hear a grievance which has been processed in accordance with the provision of this Article, but not satisfactorily resolved at the Third Stage. The arbitrator will be selected under the rules of the American Arbitration Association (AAA).

- b. The Union must notify the College, and AAA, in writing of its intent to proceed to arbitration within twenty-one (21) calendar days of the President or Designee issuing the Third Stage response.
- c. Any grievance falling under Article XXXII (Grievance) of this Agreement (that is, any grievance which complains of a violation, misinterpretation, or misapplication of any provision of this Agreement) shall be subject to final and binding arbitration. The arbitrator shall confine the opinion to the sole question of whether or not there has been a violation, misinterpretation or misapplication of any provision of this Agreement. The arbitrator shall give no opinion with respect to any matter left by this Agreement or by law to the discretion of the Board or Administration. The arbitrator's award shall be final and binding upon its delivery to both of the parties.
- d. Compensation and necessary expenses of the arbitrator shall be shared equally by the College and the Union. Each party shall make arrangements for and pay the compensation and expenses of witnesses called by that party. All other expenses, such as expenses of attorneys, other participants or observers, documents, etc., shall be borne by the party incurring them. The arbitrator shall have no right or power to add to, subtract from, modify, change or disregard any of the provisions of this Agreement, or to change existing wage rates or establish a new wage rate.
- e. The arbitration clause of this grievance procedure shall not be used to resolve impasses in the negotiation of a successor collective bargaining agreement.
- f. Any agreement reached through the grievance procedure must be implemented as soon as conditions and circumstances make possible. When conditions and circumstances permit, such a decision shall be implemented within thirty (30) calendar days.

Article XXXIII

 1. Any weekly contact hours taught over and above the 24 needed for a step increase are carried over to the higher step.

 - D. By specific agreement with the HFCC Federation of Teachers, AFT Local 1650, the premiums described in this article and any special payments to senior adjuncts for providing mentoring services or for service on College, Divisional or Departmental Committees will not in and of themselves be used as the basis of determining that an individual is eligible for temporary membership in Local 1650.

Beginning in Fall 2015, the College will provide \$35,000 in merit salary increases to selected members of the bargaining unit, with an additional \$35,000 available to be distributed as merit salary increases beginning in Fall 2016.
